Nurse educators prepare students, including both LPNs and RNs, for the transition from school to work. Certified nurse educators have leeway in choosing their specializations as long as they have earned their master’s in nursing and have experience in the field. Some institutions, however, prefer additional education in teaching.

**How to Become a Nurse Educator - Nursing.org**

Officially recognized by the U.S. Secretary of Education as a national accreditation agency, the Commission on Collegiate Nursing Education (CCNE) is an autonomous accrediting agency, contributing to the improvement of the public's health. CCNE ensures the quality and integrity of baccalaureate, graduate, and residency programs in nursing.
